Project 333 Courtney Carver, 2020-03-03 Wear just 33 items for 3 months and get back all the JOY you were missing while you were worrying what to wear. In Project 333, minimalist expert and author of Soulful Simplicity Courtney Carver takes a new approach to living simply--starting with your wardrobe. Project 333 promises that not only can you survive with just 33 items in your closet for 3 months, but you'll thrive just like the thousands of women who have taken on the challenge and never looked back. Let the de-cluttering begin! Ever ask yourself how many of the items in your closet you actually wear? In search of a way to pare down on her expensive shopping habit, consistent lack of satisfaction with her purchases, and ever-growing closet, Carver created Project 333. In this book, she guides readers through their closets item-by-item, sifting through all the emotional baggage associated with those oh-so strappy high-heel sandals that cost a fortune but destroy your feet every time you walk more than a few steps to that extensive collection of never-worn little black dresses, to locate the items that actually look and feel like you. As Carver reveals in this book, once we finally release ourselves from the cyclical nature of consumerism and focus less on our shoes and more on our self-care, we not only look great we feel great-- and we can see a clear path to make other important changes in our lives that reach far beyond our closets. With tips, solutions, and a closet-full of inspiration, this life-changing minimalist manual shows readers that we are so much more than what we wear, and that who we are and what we have is so much more than enough.

Church Clothes Matthew L. Stevenson III, 2019-05-28 HOLINESS ISN'T JUST WHAT YOU SEE ON SUNDAYS. “I see you over there worshipping but, you know, you’re going to have to get that piercing out of your eyebrow.” —CHURCHGOER The Bible says God looks at the heart (1 Sam. 16:7) and we are called to do the same. But there are still Christians who look at the piercings, clothes, and tattoos of people before even looking at their hearts. Not only do their relationships suffer, but their churches do too, as attendance declines and a culture of appearance-based morality creeps in. Apostle Matthew L.

Stevenson III exposes the traditions that root us in religiosity and prevent us from spreading the good news. Learn how to: Avoid judging others based on their appearances Extend the grace God has so richly extended to us Recognize the difference between judgment and discernment Demonstrate the Gospel in a way that draws others to Jesus Known for reaching people from all walks of life, Stevenson dives into the Word of God and unpacks what it really means to be holy.

Sex and Suits Anne Hollander, 2016-08-25 Since the dawn of western fashion in the Middle Ages, women's dress has never stopped evolving, yet menswear has seen far fewer style revolutions. At the centre of the male wardrobe is the suit: relatively unchanged since the 17th century, its cut and cloth suggest athleticism, seriousness, sexuality and strength – qualities which contrasted with the perceived superficiality and frivolity of female dress, and eventually led to the adoption of the suit into the female wardrobe where it remains to this day. In *Sex and Suits* brilliant essayist and art critic Anne Hollander charts the development of men's and women's fashion from their divergence in the medieval period to their convergence through to the late 20th century. Challenging the idea that the suit's success is merely down to its practicality, this trailblazing book argues that men have been fashion's true style-setters and that as women's fashion has taken on elements of men's style through tailoring, so men have reclaimed the embellishment and colour of past eras. First published in 1994 to great acclaim, this classic text is as fresh and provocative as ever and remains a must-read for students, scholars and anyone fascinated by the history of fashion and gender.

The Grace of Enough Haley Stewart, 2018-09-07 Do you ever feel caught in an endless cycle of working harder and longer to get more while enjoying life less? The Stewart family did—and they decided to make a radical change. Popular Catholic blogger and podcaster Haley Stewart explains how a year-long internship on a sustainable farm changed her family's life for the better, allowing them to live gospel values more intentionally. When Haley Stewart married her bee-keeping sweetheart, Daniel, they dreamed of a life centered on home and family. But as the children arrived and Daniel was forced to work longer hours at a job he liked less and less, they dared to break free from the unending cycle of getting more yet feeling unfulfilled. They sold their Florida home and retreated to Texas to live on a farm with a compost toilet and 650 square feet of space for a family of five. Surprisingly, they found that they had never been happier. In *The Grace of Enough*, Stewart shares essential elements of intentional Christian living that her family discovered during that extraordinary year on the farm and that they continue to practice today. You, too, will be inspired to: live simply offer hospitality revive food culture and the family table reconnect with the land nurture community prioritize beauty develop a sense of wonder be intentional about technology seek authentic intimacy center life around home, family, and relationships Drawing from Pope Francis's encyclical on the environment, *Laudato Si'*, Stewart identifies elements of Catholic social teaching that will enhance your life and create a

ripple effect of grace to help you overcome the effects of today's "throwaway" culture and experience a deeper satisfaction and stronger faith.
